

Flexible PCB

Product No.: W704908AS1Y24

PCB Type :	Flexible PCB	Board type :	Panel by PCBWay
Size :	190 x 160 mm	Quantity :	10
Layer :	2 Layers	Material :	Polyimide Flex
FPC Thickness :	0.08 mm	Min track/spacing :	≥ 0.06mm
Min hole size :	≥ φ0.15/0.35mm	Solder mask (Coverlay) :	Yellow Coverlay
Silkscreen :	White	Edge connector :	No
Stiffener :	without	Different design in panel :	1
Surface finish :	None/Plain copper	Finished copper :	1/3 oz Cu (12μm)
E-test :	100%	3M/Tesa tape :	Tesa8853 onesided BOT
		Date code :	None
Conductive double sided tape :	without		
EMI shielding film :	without without	PO No. :	
Manufacturing :	Please place adhesive in User.Eco1 layer. Please leave off surface finish. Please use rolled-annealed copper.	Customized Services and Advanced Options :	UL marking:None,
